## FAITH AND WORKS

### PURPOSE

To illustrate that true faith is demonstrated by good works

### MATERIALS

- Scriptures
- A box of cake mix
- A cake that is baked and iced (optional)

### LESSON IDEAS

1. Explain that you like everyone in the class so much that you decided to bring a cake to share.
2. Bring out the box of cake mix. Explain that you will pass the box around so everyone can have a taste.
3. Invite them to read James 2:14-20 and ask what the cake mix has to do with this scripture. (The difference between the cake mix and a baked cake is that works have been added to the baked cake)
4. Help them understand that we demonstrate true faith through our actions. You may also want to share Matthew 7:21.
5. Testify that faith without works is dead.
6. Optional: Bring out the iced cake and cut each person a piece.
